Dear Louisa-Muscatine Families,

The beginning of the school year marks the beginning of our new food pantry. We have the opportunity to provide food items to any family who wishes to participate. A variety of dry/canned, refrigerated and frozen groceries will be offered monthly. We are partnering with the Food Bank of Iowa in Ottumwa, Iowa, and we will receive a delivery of food once a month. The food pantry groceries will be offered for FREE to our L-M families and community members.

L-M also offers a Backpack food program also referred to as our Falcon Food Locker program. On Fridays, a bag of snacks and easily prepared foods are sent home with students in the elementary and secondary to help supplement weekend food needs. We are preparing to expand this program this year.

If you or someone you know would like to participate in either one of these programs please send this form back to school with your student or call L-M Elementary @ 319-726-3634, or L-M Secondary @ 319-726-3421. If you are interested in donating food or personal items to these programs please indicate by checking the box below.
