

# **Falcon Locker and Food Pantry**

Dear Louisa-Muscatine Families,

As we welcome your students back to school, we invite you to visit our L-M food pantry, also referred to as the “Falcon Locker”. This is our 2nd year offering a complete food pantry at both school building locations. A variety of dry/canned, refrigerated, and frozen groceries will be offered monthly. We are partnering with the Food Bank of Iowa in Ottumwa, Iowa, and we will receive a delivery of food once a month. The food pantry groceries will be offered for FREE to our L-M families and community members.

L-M Falcon Locker also offers a Backpack food program. On Fridays, a bag of snacks and easily prepared foods are sent home with students in the elementary and secondary to help supplement weekend food needs.

If you or someone you know would like to participate in either one of these programs please send the form, sent home with your elementary student, back to school or call L-M Elementary @ 319-726-3634. The contact person at the elementary is Kim Van Sickle, the school counselor. Contact Deb Steahr at the L-M Secondary at 319-726-3421.

**\*\* If you are interested in participating or donating food or personal items to these programs you can also let us know by filling out the confidential digital form below:**
