Louisa-Muscatine Elementary School is collecting names for our 2024-2025 kindergarten class. (Class of 2037!) We plan to send registration packets home with our current preschool families soon and are happy to email or mail them to new families joining our district. ## Preschool Registration for 24-25 school year

Are you interested in the Louisa-Muscatine/Busy Hands Preschool program? We are now gathering information for the 2024-2025 school year. A LETTER FROM OUR SUPERINTENDENT:

Patrons,

Last year Louisa-Muscatine (L-M) School District surveyed you to determine your approval of bonding for a varsity gym and a new HVAC (heating/cooling) system at the elementary. The estimated cost of this project was around 12 million dollars, with an option to increase the bond to 17 million to include wrestling, AG, weight room, performing arts, and playground additions/upgrades. It is apparent from the survey that the district needs to revisit what we put before the voters. Thank you to those who completed and returned the survey.

L-M will continue to phase in improvements to our buildings and grounds with currently available funds. We are in the final stages of completing a transportation/maintenance building and have repaired the elementary HVAC system using Physical Plant and Equipment Levy (PPEL) funds. In recent years, the PPEL funds have allowed the district to install new roofs on all buildings, renovate locker rooms, replace classroom flooring, resurface the track, buy buses, and much more. To continue maintenance and renovation at L-M, the Board asked voters to approve the continuation of the \$1.00 PPEL last Fall. That PPEL renewal passed overwhelmingly. Thank you for voting.

The L-M Board of Directors is considering a bond resolution of a lesser amount for an additional secondary school gym. At the earliest, this bond will be on the ballots during the general election on November 5, 2024. We are currently working with architects to establish current costs for this addition. We are hosting a public forum to review possibilities, gain community insight, and answer questions on March 20, 2024, at 7:00 PM in the High School Cafeteria.

Below, you will find how our gym availability and seating capacity compared to other schools we compete with.
