

Louisa Muscatine Student Handbook

2024 - 2025 School Year

INTRODUCTION

The handbook has been written to inform students and parents of policies currently in effect at L-M Junior/Senior High School. We are hopeful that you will take a few minutes to read and become familiar with the contents and that you will continue to support us in providing a quality education.

You are encouraged to contact the junior/senior high school when you have questions or concerns whether it is for general information, checking on your child's academic progress, or in regard to a discipline concern. We are confident that with the school, your child, and you working as a team, the benefits a student receives from attending L-M will be increased.

Finally, a committee consisting of parents, students, teachers, and administrators recommended the information contained in this handbook.

DISTRICT WEBSITE

The school district's web site can be reviewed using the address below. Information listed includes information on lunch menus, school calendar, school activities and curriculum. Access the web site at:

<http://louisa-muscatine.k12.ia.us>

SCHOOL HOURS

Normal school hours are from 7:55 A.M.-3:18 P.M. Students arriving at school prior to 7:55 A.M. must be with a staff member or remain in the lobby until the 7:55 A.M. bell. Between 7:55 – 8:05 a.m. students should report to the gym or cafeteria. Students may not be in the building past 3:30 P.M. unless they are under direct supervision of a staff member. All doors will be locked during the school day.

STUDENT PLANNERS

Students will be issued a 2024-2025 L-M planner to be used for organizational purposes.

PASS PROCEDURES

During each period, you are responsible to your attendant teachers. You are expected to comply with the directives of your teachers. If you receive permission to leave your assigned room, YOU MUST HAVE A TEACHER PASS. Students will not be allowed to sign out to the office until the last 5 minutes of class or study hall. Three minutes have been allotted between classes. During this time, you are asked to go to the restrooms and get a drink. Do not ask to leave class for these reasons unless it is absolutely necessary. If you have 2 classes in succession at the same end of the building, books should be carried for both classes.

TELEPHONE

The telephone in the office is for school business and for limited student use. Students may use the telephone during passing time (or the last 5 minutes of a class if the teacher gives them a pass) by requesting permission from the office secretary. All calls must be essential and limited to essential conversation. Students will not be called from class to receive phone calls unless the call involves an emergency. Students are not to make telephone calls from classroom phones.

DELIVERIES

Deliveries for students are not accepted. Please do not send flowers, balloons, etc. to the school.

VISITORS

Students will not be permitted to bring visitors to school with them. If you feel the circumstances warrant a student needing to bring a visitor to school, see the principal. Alumni planning to visit staff should call ahead and make an appointment. Former students should plan to come when classes are not in session in order to avoid interrupting teaching and learning of current students.

LOST AND FOUND

Lost and found items should be turned in to the office. Items will be stored in the office area. Students who have lost an item should check the lost and found. Items will be available during Parent Teacher Conferences. The lost and found contents will be disposed of or donated quarterly.

STUDENT PUBLICATIONS

Students under the direction of a faculty advisor may produce official school district publications. Official school district publications include, but are not limited to, the school yearbook. No student shall express, publish, or distribute in an official school publication, material which is obscene, libelous, or encourages students to commit unlawful acts, violate school rules, cause the material and substantial disruption of the orderly operation of the school,

or infringe on the rights of others. A complete copy of the policy can be reviewed by contacting the school yearbook advisor.

LOCKERS/BACKPACKS/BAGS

All lockers in the school buildings are the property of the Louisa-Muscatine Community School District and remain school property even though they are temporarily assigned to students. Students are to use the lockers only for storage of school books, school materials, and other possessions ordinarily used in day-to-day school activities and outerwear clothing. The lockers will be subject to inspection by authorized officials at any time for cleanliness, missing school property, or evidence of vandalism. Periodic inspections of all lockers or a random selection of lockers shall either occur in the presence of the student whose locker is being inspected or the inspection shall be conducted in the presence of at least one other person. Any contraband discovered during such inspections will be confiscated and may be turned over to law enforcement authorities. All students assigned a locker are responsible for it and may be charged for damage done to it.

Each student is responsible for ensuring that other students do not learn their locker combination. Students are responsible for the contents of their assigned locker. Students are not allowed to share lockers. Students are not allowed to switch lockers without office approval.

Lockers are available in the locker rooms for use during P.E. classes. Students can bring locks to lock their possessions in the locker during P.E. periods; however, because numerous students may want to use the locker, the lock must be removed at the end of the period.

Backpacks/bags will be allowed to be taken into classrooms. IF backpacks/bags become a problem, students may be required to leave their backpacks/bags in their lockers.

SEARCHES

A student or a student's possessions, clothing, locker, etc., may also be searched if the school official has reasonable suspicion to believe that illegal, unauthorized, or contraband items will be found.

SECURITY CAMERAS

The Louisa-Muscatine Community School District Board of Directors has authorized the use of video cameras on school district property including hallways, buses, and parking lots. The video cameras will be used to monitor student behavior to maintain order on school grounds, as well as promote and maintain a safe school environment. The content of the video may be used in a student disciplinary proceeding. The content of the video is confidential student records and will be retained with other student records. Video will only be retained if necessary for use in a student disciplinary proceeding or other matter as determined necessary by the administration.

VEHICLE POLICY

Students with proper state authorization will be permitted to drive to school provided they follow the regulations listed below:

1. During school hours, you shall not be in the parking lot area or move your car unless you have authorization from the office.
2. At dismissal time, you shall not pull out in front of the buses.
3. Students are requested to not drive your vehicle around the elementary building before, during or after school.

PARKING

All students driving to school must have a parking tag. All students must fill out a Parking Tag Registration Form prior to driving to school. A new form must be filled out each school year.

There may not be enough parking spaces in the high school parking lot for all students. If the high school parking lot is full, students will be required to park at the elementary.

Seniors will be issued a parking tag that will designate a specific numbered parking spot. This will be determined by a lottery system at the beginning of the school year.

Once all seniors have their designated spots, juniors, sophomores and freshmen who have completed and turned in their Parking Tag Registration Form will be issued parking tags that will designate a specific numbered parking spot allowing them to park in the high school parking lot. If students are required to park at the elementary, they will be issued a different color of parking tag.

In the event that a parking spot is not being used, that spot may be issued to another student.

Students may not park in front of the school building on either side during any part of the school day. These spots are reserved for staff, buses and visitors to the building.

Students are responsible for their tags and must have them hanging from their rear-view mirror. Students may not let anyone else use their tag or spot for any reason. All tags must be turned in to the office at the end of the year. Students will be required to pay \$5 for a lost or stolen tag.

All students must park appropriately in marked spaces. Students must drive carefully, cautiously, and in the right direction. Students should not drive on any grass or through any ditches at any time.

Any careless driving or parking violations may result in disciplinary action and/or loss of driving privileges on school grounds.

SOCIAL EVENTS

1. The student council is responsible for planning social events for the year. In doing so it attempts to spread the activities throughout the year and plan them according to the varying interests of the students.
2. All plans for social functions must be approved by the principal and will be under the direction of the Student Council Advisor.
3. Students who are not currently enrolled in classes at L-M (i.e., who graduated early or are in a transition program) are not allowed to attend social events as a student. They must attend as an out-of-school guest. The same applies for students in the fifth year of high school.
4. The following guidelines must be followed in the event that an out-of-school date is invited to a school sponsored activity:
 - Guests must be registered in the office prior to the activity
 - Guests must be under the age of 21
 - Guests attending another school will be required to have a form filled out by that school showing that the student is in good standing
 - Guests not enrolled at another school will be required to show identification to verify age
 - You are responsible for your own behavior as well as the behavior of your guest.

Junior High Dances are only for students in 7th and 8th grade from Louisa-Muscatine.

FIRE DRILL INSTRUCTIONS

The fire alarm is a recording that alerts you that a fire has been reported in the building. Upon hearing the alarm, observe the following instructions:

1. All personnel shall evacuate the building when the alarm sounds.
2. Instructors shall see that all windows are closed before evacuating the building.
3. Students shall walk to the nearest hall exit in evacuating the building. Students should walk away from the building on the sidewalks. If it becomes necessary to clear the sidewalks, you will receive further instructions from school or fire personnel.

4. Pass through the driveway and parking lots to the grassy areas.
5. Although each classroom has windows that can be used for exits under emergency conditions, do not use windows for fire evacuation unless directed to do so by the instructor.

SEVERE WEATHER

If weather conditions exist that may result in severe weather, teachers will be notified. During this time, you are to follow normal classroom procedures. If it appears that the approaching storm requires evasive or protective measures, the following actions will be taken immediately:

Normally the announcement of a "tornado warning" will be given over the inter-communications systems to all classes and departments. If an electricity outage exists, runners will be sent to each of the classes and departments giving the "tornado warning".

Personnel will immediately move to the areas in the building which have been designated as most safe by a representative of the Area School Branch, Civil Defense. These locations are posted in each classroom.

INTRUDER IN BUILDING

If there is an intruder in the building, Louisa-Muscatine will use the ALICE plan.

A-Alert	Use plain and specific language. Avoid code words.
L-Lockdown	Barricade the room. Silence mobile devices. Prepare to evacuate or counter if needed.
I-Inform	Communicate the intruder's/shooter's location in real time.
C-Counter.	Create noise, movement, distance and distraction with the intent of reducing the shooter's ability to shoot accurately.
E-Evacuate.	When safe to do so, remove yourself from the danger zone.

Other consequences may apply under other discipline areas.

The school may refer violations to the appropriate federal, state, or local authorities.

VIRTUAL LEARNING

Students at Louisa-Muscatine Secondary regularly use technology for learning both in the classroom as well as guided learning for home instruction. To ensure quality learning, as well as the safety of the students, all students grade 7 - 12 will be expected to abide by the following guidelines.

1. Students should use only school issued devices while at school. Administration must approve if/when it would be appropriate to use a personal device brought from home at school. If a student needs to contact parents/family, they will go through the classroom teacher or school office.
2. Students will stay on school appropriate websites or teacher directed sites and search only appropriate topics.
3. Students will report to staff should they accidentally end up on a website with inappropriate content or that they feel is inappropriate for school. The district monitors our website filtering, and we need to ensure that inappropriate sites are blocked.
4. Students will use technology for school assignments and learning. Inappropriate messaging with friends is not allowed. Students will not message others unless the teacher gives permission, or instructs a student, to do so. Sending disrespectful messages and using inappropriate language will result in disciplinary actions.

NATIONAL HONOR SOCIETY

Students are elected to the National Honor Society based on scholarship, leadership, service, and character. Students in grades 10 -12 with a minimum cumulative grade point average of 3.3 are eligible for election to the National Honor Society. Applications are collected by current NHS members then given to the entire faculty who rates each applicant on the four pillars of NHS- leadership, service, character, and scholarship. Leadership refers to taking a constructive lead in classroom and school activities to the benefit of the school. Service refers to showing respect to others and works without personal gain, but for the group as a whole. Character refers to maintaining high personal standards toward fairness to others and demonstrating cooperation. Scholarship reflects a student's achievement in the classroom. A faculty council appointed by the high school principal then makes the final selection. There is no set number of annual inductees.

SCHOOL CLOSINGS

School cancellations will be communicated through an automated phone system. ***It is very important to communicate any change in your phone numbers to the office as soon as possible to keep our automated system updated and current.***

The cancellations will also be broadcast on radio stations KWPC (AM 860) in Muscatine, KUUL (FM 101.3) and WLLR (103.7) in Davenport, and KBOB (99.7) in Muscatine as well as TV stations KWQC, WHBF and WQAD in the Quad Cities. Parents can also register on-line with Iowa School Alert to receive email notices on their computer or phone. ***PLEASE DO NOT CALL THE SCHOOL.***

RELEASE OF STUDENT INFORMATION

In accordance with the Family Educational Rights and Privacy Act of 1974, the following policy concerning release of student information has been adopted: "Any student, parent, or guardian who objects to the release of student's name, address, telephone number, date, and place of birth, information related to participation in school activities, statistics related to participation, weight, height, grade level, dates of attendance, awards, honors, schools previously attended, date of graduation, and photographs must submit objections in writing to the principal of the school attended by the student.

If parents/guardians have joint custody, both parents/guardians must agree and notify the school in writing to have additional access granted to other parties (ex: stepparent, grandparent, etc.).

Bus, hallway or cafeteria video access will be reviewed by administration only.

Discipline records will not be released to anyone except that student's parent/guardian.

Students and/or parents/guardians have the right to review the appropriate student folder at any time. We ask that you call the Junior/Senior High School, 319-726-3421, and set a time with the school counselor or building principal to do so.

SPECIAL EDUCATION

Parents who suspect their child has a disability requiring accommodation or special education are encouraged to contact the junior-senior high counselor's office or the Mississippi Bend Area Education Agency (1-800-947-2329) for additional information and a copy of the booklet entitled Parental Rights in Special Education.

The Mississippi Bend Area Education Agency provides for a process to aid parties in resolving differences. This service is called the Resolution Facilitator Process. This involves using a Resolution Facilitator (impartial person) who is trained in mediation. The process may be requested to address issues between educators (district or AEA) and parents of general education, Section 504, or special education students. It can also be used between other parties involved with the district. The Resolution Facilitator will assist you in resolving differences by talking them out. The process helps make clear what the problems really are and helps everyone involved work toward an agreement that is acceptable to all. The Resolution Facilitator may be someone from within the AEA who is considered impartial to the conflict or may be selected from outside the AEA. Additional information can be requested by contacting the director of special education at the Mississippi Bend Area Education Agency by calling 1-800-947-2329, ext. 6201.

The Iowa Department of Education provides a process for issues involving special education called the Pre Appeal Conference. Instead of a due process hearing or formal mediation, this mediation option is designed to be a less stressful, less formal process. It is voluntary for all parties and involves the use of a trained, impartial mediator who contracts with and is assigned by the State Department of Education. The process helps make clear what the problems are and helps everyone involved work toward an agreement that is acceptable to all. For more information, contact DeeAnn Wilson at 1-515-282-5766. A copy of the model form is available in the Procedural Safeguards Manual for Parents, or you may view the manual on the Iowa Department of Education website at <http://www.state.ia.us/educate/ecese/cfcs/pr.html>.

STUDENT SERVICES

Guidance: The purpose of guidance services is to help each of the students in their social, educational, vocational, and personal development. Conferences with students receive first consideration of the counselor's time. The counselor may assist students and parents:

1. By providing assistance to students with academic difficulties.
2. In planning student's schedules and the school program.
3. In making realistic curriculum selections and suitable plans for the future for students
4. In offering aid in problems of adjustment or to listen to students discuss their problems.

Health: The school nurse heads the health program of the school. He/She identifies those children with health needs, gives them temporary immediate aid, and makes referrals for treatment. The nurse is not always in our building, and the office will assist students if he/she is not available.

SPECIAL STUDENT NEED PROGRAMS

In addition to classroom teachers, the L-M Jr. / Sr. High School has several individuals who are available to help students. We have school counselors, principals, a nurse, school psychologist, school social worker, speech pathologist, occupational and physical therapist, teacher of the visually and hearing impaired, special education teachers and an educational consultant. Your student's classroom teacher may contact any of these professionals if there is a concern about your child's educational progress. They may also be asked to observe your student in the classroom or visit with him/her if the need should arise.

These professionals may be involved in discussions about your student and may suggest ways to improve his/her performance in school.

FEE WAIVER AND REDUCTION PROCEDURES

Students whose families meet the income guidelines for Free and Reduced Lunches, the Family Investment Program (FIP), Supplement Income (SSI), transportation assistance under open enrollment, or are in foster care are eligible to have their student fees waived or reduced. Students whose families are experiencing a temporary difficulty may be eligible for a temporary waiver of student fees or students who believe they may qualify for temporary financial help should contact the high school office for a waiver form. This form is also available at registration and on the school website. This waiver does not carry over year to year and must be completed annually.

Based on your household income, your child(ren) may qualify for free or reduced lunches. Every child is given an application form for free/reduced lunches the first day of school. However, whenever there is a significant change in your household income, you may submit an application for free/reduced lunches.

TEXTBOOK AND MATERIAL FEES

A \$100.00 fee for books and materials will be charged to each high school student and junior high student. Students are expected to use school property in a manner that will keep it in the best possible condition. This includes books, uniforms, instruments, and other equipment that students are loaned throughout the year. Students will be assessed the replacement cost for each item that is lost or destroyed beyond reasonable use. Students may be charged additional fees for damaged items.

BAND INSTRUMENT RENTAL FEE

Students who play school-owned instruments will be charged a \$50 per year rental fee. Students who play school-owned percussion instruments will be charged a \$25 per year rental fee. Fees are waived for students who qualify for free meals and are reduced to ½ the fee for those who qualify for reduced price meals. The fee will be non-refundable after the first 4 weeks of school.

BREAKFAST/LUNCH INFORMATION

The JH/HS uses a number debit system for payment of breakfast and lunch for all students and staff. Current daily meal prices are available on the L-M website or by calling the office if you do not have internet access. Ala carte menu items are also available using the number debit system. ***No cash will be accepted in the lunch or ala carte line.*** Students must have a positive balance in their accounts before purchasing lunch or Ala carte items. Students may deposit money into their lunch account in the office from 7:55 A.M. - 8:10 A.M. and between classes. Deposits accepted after 10:30 A.M. will be counted as a next business day deposit and students must show a receipt in the lunch line that day.

FOOD/LIQUID ITEMS

No glass bottles are allowed to be brought into the building. Students will only be allowed to purchase food or drinks from the cafeteria during breakfast and lunch. The Ala Carte line will not be open at any other times during the day for purchases.

MEDICATIONS

In accordance with a directive from the Iowa State Board of Health, only medically qualified employees may dispense medication. In this case, the junior high and high school secretaries are qualified.

Prescriptions must be brought in the original container with the label affixed, along with written permission from the parents/guardians to dispense the medication and physician's signed and dated authorization including name of the medications, dosage, administration route, time to be given at school, and reason receiving.

Students are to leave the medication and permission slip with the secretary. No medication may be dispensed without permission from home. Students with medically prescribed inhalers must notify the offices that they have the inhaler, but the student will keep the inhaler with them.

Non-prescription medication (aspirin, etc.) is to be brought to the office, in the original container, with a note from a parent/guardian authorizing dispensing the medication.

INSURANCE

The district does not purchase insurance to cover students while taking part in school-sponsored activities.

- A. Families that **qualify** for free and reduced lunch may also qualify for the Iowa free or reduced HAWK-I Comprehensive Health Insurance. Call 1-800-257-8563 to determine if your family qualifies and to request a brochure/application form.
- B. For families who **do not qualify** for, or do not wish to take part in, the HAWK-I Comprehensive Health Insurance, the district is making available at your cost Student Accident Insurance. For families with no other insurance, this Accident Insurance Plan would be primary and pay according to the benefits of the plan. For families with deductibles and co-insurance, this would help pay those charges not covered by the family's primary plan. Student Accident Insurance brochures and forms are available in the office.

STUDENT ACTIVITY TICKETS

Student activity tickets are sold in the JH/HS office for admittance to L-M home activities. Student activity tickets (K-12) sell for \$50.00 and admit the student to ALL home activities. Student tickets are non-transferable, non-refundable and non-replaceable if lost or damaged.

Senior Citizens (65+) are admitted FREE with a senior pass that they may pick up in the main office.

Science	6		Electives	20

To be eligible to walk in the graduation ceremony, the student must have completed all academic requirements by 8:00 a.m. on the Friday before graduation.

Per school board policy 603.6 a student may be excused from the physical education courses IF the student is enrolled in academic courses not otherwise offered or available. Administration will determine if extenuating circumstances exist and apply to each student on a case by case basis. This usually only applies to graduating seniors.

In addition to the academic requirements, a student must have all bills paid, all school property returned (including rented items and uniforms), and all discipline matters fulfilled. If a student has met the above requirements, they will be considered a graduate upon being given his/her diploma.

No more than 8 computer based credit recovery courses may be taken to meet graduation requirements for a regular diploma.

Refer to Page 16 for more information on Summer School/Credit Recovery.

The Board of Education will grant requests for early graduation if the student has met all requirements for graduation. If a student has met all requirements for graduation, and opted for early graduation, the student is not eligible for any student activities. The individual may only participate in L-M events as a community member when the entire community has been invited (ex: band concerts, but not assemblies). Students interested in early graduation should contact the school counselor in writing by November 4th to begin the process. If a student fails to complete a class or classes, the student will receive failing grades in those courses.

HIGH SCHOOL GRADE CLASSIFICATION

Freshman: first year of high school

Sophomore: second year of high school **AND** at least 13 completed credits

Junior: third year of high school **AND** at least 26 completed credits

Senior: fourth year of high school **AND** at least 37 completed credits

Student credits will also determine which grade students will be placed for class activities during the school year. Any student with less than 37 academic credits upon entering their senior year may not be eligible for graduation. Any deviation must have administrative approval.

SEQUENTIAL COURSES

Some high school courses are sequential. These courses must be followed sequentially to meet graduation requirements unless administrator/counselor approval is obtained.

COLLEGE LEVEL COURSES THROUGH L-M

The purpose of college level courses through Louisa-Muscatine is to promote rigorous educational pursuits and to provide a wide variety of options for students. In order for a student to attend concurrent enrollment courses through Louisa-Muscatine Schools (CCIR or 28E), the student must:

- Be classified as 11th or 12th grade OR
- Be a 9th or 10th grade student identified as Talented and Gifted
- Meet state proficiency requirements on most recent Iowa Assessment Reading, Math and Science tests. ***If seniors do not meet this criteria, please see the school counselor for options.***
- ALL students must meet the criteria established by MCC
 - Must complete English III to take MCC Comp I
 - Must complete Comp I to take MCC Comp II and MCC Lit

Those students, who in 10th grade, met all of the above requirements for their 11th grade year, but were not proficient on Iowa Assessments in 11th grade for their 12th grade year, and were successful in their 11th grade concurrent enrollment classes (received B or above), would be allowed to take concurrent enrollment courses through Louisa-Muscatine High School if their most recent Iowa Assessment Scores were within 5 NSS points of proficiency.

Freshmen, Sophomores and Juniors taking college level classes will not have an open campus option when their class doesn't meet. They will be required to stay on campus, either in the classroom if there is a substitute teacher, the library or other designated place.

CCIR ENROLLMENT OPTIONS

The school district pays the college or university for the cost of tuition, textbooks, materials and fees; the student furnishes their own transportation. The high school principal will determine the amount of high school credit to be awarded for a completed course. Students who want more information should contact the college and career counselor.

Freshman or Sophomore students who are identified as Talented and Gifted are allowed to enroll in 1 online CCIR course at Muscatine Community College (MCC) per year. Juniors are allowed to enroll in 1 online or on campus (MCC's campus) CCIR course at MCC per semester. Seniors are allowed to enroll in 2 online or on campus (MCC's campus) CCIR courses at MCC per semester.

Students earning a failing grade (F) or a withdrawal in a CCIR must reimburse Louisa-Muscatine School District for the cost (to the district) of tuition, fees, and book/s on Muscatine Community College campus. A withdrawal grade from the college may result in a failing grade at Louisa-Muscatine High School. The college will report high school student's grades to Louisa-Muscatine High School and those grades are listed on report cards, transcripts, and permanent records. These courses count toward eligibility.

All books for the CCIR courses must be returned to the College & Career Counselor at L-M at the completion of the course.

28 E COURSES

The 28E Courses are courses offered through an agreement with Muscatine Community College. These courses are taught at L-M by an instructor from or approved by MCC. These courses are free to L-M students and will be taught during the regular school day. All 11th and 12th grade students who meet proficiency requirements based on state law and 9th & 10th grade students who are identified as Talented & Gifted and meet those same requirements are eligible to enroll in 28E courses.

28E course grades will be included when calculating GPA for honor roll and for determining eligibility for activities if the instructor is an L-M teacher. ***All books for the 28E courses must be returned to the College & Career Counselor at L-M at the completion of the course.***

CTE CLASSES FOR COLLEGE CREDIT

Louisa-Muscatine also has the option of Career and Technical Education classes taught on our campus for college credit. These classes are through association with Muscatine Community College. L-M has CTE classes in the areas of Business and Agriculture. These are open to 10th-12th grade students. These classes will appear on both LMHS (high school) transcripts AND MCC (college) transcripts.

CLASS CHANGES

High school students wishing to make a class change must make the request within the first three (3) days of the semester. Students enrolled in a dual credit class must meet the class change requirements for both the high school and MCC. Any requested class changes after three days of a term must receive administrative approval.

FIELD TRIPS

Field trips within twenty-five (25) miles will NOT require parent permission because they are considered local field trips. Attendance on the field trip is mandatory because of the educational value of the trips and in many cases will be taken during a class period. The supervising teacher will give students a field trip notification statement for parents.

OPEN ENROLLMENT

Students wishing to exercise their option of attending school in another school district should contact their building principal or the superintendent.

SUMMER SCHOOL/CREDIT RECOVERY

Computer based credit recovery classes may be taken only if a student has failed a core class twice, or in some cases recovery may be possible with instructor approval. Data that will be considered by an instructor in determining eligibility for this recovery will include attendance data (15% or more absences will not be eligible), semester grades (55% - 59%), state assessment data, and overall effort in the class including number of missing assignments,

behavior, and attitude. The course(s) must be taken during the summer following the failed class(es) and completed by July 1. E2020 classes taken during the regular school year must be after a student has failed a class twice or under extenuating circumstances. These classes must be completed in the semester they are assigned.. These situations will be few and must meet the established criteria. ALL tests and quizzes must be completed at school in a proctored environment by qualified school personnel. **No more than 8 of these credit recovery courses may be attempted to meet graduation requirements for a regular diploma.**

SILVER CORD SERVICE PROGRAM

It is our belief that students who interact positively within their community not only will benefit the community, but also will develop their own leadership and citizenship skills. To encourage and reward volunteerism and community service, the Silver Cord program will recognize students each year who have made significant contributions to the community through their service.

Seniors who have completed a minimum of 200 hours of approved volunteer service during their six years of junior high and high school will be awarded a silver cord and will be recognized at graduation exercises. While it is suggested and highly encouraged that students complete 50 hours of approved service activities each year during their four years of high school to reach the 200 total hours, students may accumulate their 200 hours in varying amounts during their six years of junior high/high school. Junior high students are able to complete up to 50 hours of approved volunteer service during their two years in junior high that will count toward their silver cord hours.

A log of student completion of approved service activities will be maintained for all students by the counselor's office. The building leadership team will review periodically those activities that constitute "approved" community service. To constitute an "approved" area of service, the following criteria must be met:

- The approved service hours must be attained during non-academic time.
- The approved service hours must be completed for "non-pay."
- The approved service hours from any one project or area may not exceed 20 hours.
- The approved service hours must be approved by the counselor or administration BEFORE being undertaken.
- The approved service hours must be submitted to the counselor with appropriate documentation which will be recorded on the individual student's service log sheet.

Any questions as to the approval of service hours will be referred to a team of the secondary administrators and counselors who will render a final decision about any issues.

OPEN CAMPUS

Open Campus is a privilege that will be made available to seniors to earn it. Open campus means eligible seniors may leave campus during three of the eight academic periods if they do not have a scheduled class. Remember: Open Campus is a privilege, not a right. The following rules and guidelines apply to open campus:

1. Students who earned an "F" as a final grade of Quarter 4 or Semester 2 of their junior year, will not be granted open campus privileges at the start of their senior year. This applies even if a student recovers the credit over the summer.
2. If a senior earns an "F" for a midterm or final grade (end of each quarter and end of the semester), he or she will lose open campus privileges until the end of the next grading term (9 weeks).
3. If a senior loses open campus, they will be scheduled into a Homeroom class. While assigned to a Homeroom class, the senior must eat lunch in the cafeteria and participate fully and appropriately in homeroom.
4. In order to qualify for open campus, students are required to have a 2.667 (B- average) simple GPA at the end of the previous quarter.
5. Students with open campus are expected to be on time to every class, including when they return from an open campus period. If a senior with open campus earns a detention for tardies or has

- excessive tardies, this may result in the loss of open campus privileges until the end of the grading term (up to 9 weeks).
6. Students with open campus are expected to act respectfully and be responsible. Open campus privileges will be lost if a student earns an OSS and may be lost if a student earns an ISS. If this occurs, he or she will lose open campus privileges until the end of the grading term (up to 9 weeks).
 7. Students with open campus are expected to have good attendance. Open campus privileges may be lost due to poor attendance or unexcused absences, including study halls. If this occurs, he or she will lose open campus privileges until the end of the grading term (up to 9 weeks).
 8. Attendance and discipline referrals could contribute to gaining/losing open campus privileges.
 9. Students on open campus may stay in the school building, but must report to the high school library or senior study hall room and follow normal school procedures. Students are not allowed to be at their lockers or in the hallways during their open campus.
 10. Seniors determined to be ineligible for extracurricular activities based on the weekly eligibility report will also lose open campus privileges for that week. Those losing open campus privileges will be required to report to study hall for each open period AND attend homeroom each day.
 11. Any senior that will be losing open campus privileges for the next quarter will be officially notified of the beginning date of the loss by the office. Any senior that will have their open campus privileges reinstated for the next quarter will be officially notified of the beginning date of the reinstatement by the office.
 12. Students coming to or leaving school are to operate their vehicles in a responsible manner. Students are required to park in the high school parking lot when returning from open campus. Parking in front of the building may result in loss of open campus privileges as determined by the administration.
 13. Students on open campus privilege who permit students who are not on open campus to accompany them away from the building without authorized permission risk suspension of their open campus privilege.
 14. Seniors are required to be enrolled in a minimum of 5 classes per semester, at least 2 of which must be L-M high school courses.
 15. Parents **AND** students must sign the Open Campus permission form in front of the school secretary or administrator before a student leaves school during an open period.
 16. Special considerations may be made for seniors who have jobs requiring them to leave school early to report to jobs on time.
 17. ***Any violation of this policy or other guidelines established by the administration may result in loss of open campus privileges.***

ATTENDANCE

Regular attendance at school is essential for students to obtain the maximum opportunities from the education program. In accordance with Iowa Law, it is the parent's/guardian's responsibility to ensure their student is attending school. (Code of Iowa Chapter 299).

Excused Absences

Student absences approved by the principal are excused absences. Excused absences will count as days in attendance for purposes of the truancy law. These absences include, but are not limited to, illness, family members' death or family emergencies; student court ordered appearances with documentation; recognized religious observances; appointments that cannot be scheduled outside the school day (Verification may be required); school-sponsored or approved activities (see activities section of the handbook); college visits (see college visits section in the handbook); or school sponsored field trips.

After 10 excused absences from a class, medical verification for absences due to illness may be required.

Unexcused Absences/Truancy

Unexcused absence is when a student is absent for a reason not approved by the school. Unexcused absences turn into truancy when students fail to attend school for the minimum number of days established in the school calendar by the board.

Truancy is the act of being absent without a reasonable excuse. These absences include, but are not limited to, tardiness, shopping, hunting, concerts, preparation or participation in parties and other celebrations, and employment.

Truancy will not be tolerated by the board. Students are subject to disciplinary action for truancy including suspension and expulsion. It is within the discretion of the principal and/or superintendent to determine disciplinary action. Loss of privileges that are outlined in the "Excessive Absences" section of the handbook may be enforced as well as any other disciplinary actions the administration sees fit.

1st offense: 2 days ISS, principal/student conference, parent contact

2nd offense: 2 days ISS, principal/student conference, parent contact

Subsequent offenses-Minimum of 2 days ISS or OSS, principal/student/parent conference

Each period skipped will result in a minimum of two periods of ISS from each class skipped.

Excessive Absences

According to research findings supported by the Iowa Department of Education, ten percent (10%) of the days school is in session or more absences, substantially impede a child's learning and shall be considered excessive. Any child who has missed ten percent or more days in a school year **excused or unexcused** shall have his/her circumstances, including academic achievement, reviewed by school personnel. Unexcused absences may result in disciplinary action. Findings may result in a truancy referral to the Muscatine or Louisa County Attorney's Offices. The Iowa Department of Education has authorized school districts to "drop" students who incur:

- 5 or more unexcused absences in a semester will be considered excessive and may warrant school consequences such as loss of privileges to school sponsored activities or extracurricular events, restricted lunch, detention, loss of credit in a course or courses, dropped open campus, attendance plan and/or truancy filing.
- Attendance letters will go out twice a quarter to inform parents/guardians if a student is at or has exceeded 10% of the days school has been in session at that time. If a student exceeds 20% absentee rate and/or 5 unexcused absences in a class students may require a verification letter to be sent. If a student's attendance does not improve, students may become at high risk and other attendance actions will be taken.
- Absence Percentage breakdown:
 - 4 1/2 weeks- ____ periods
 - 9 weeks- ____ periods
 - 13 1/2 weeks- ____ periods
 - 18 weeks- ____ periods
 - 22 1/2 weeks- ____ periods
 - 36 weeks- ____ periods

Principal or designee will send a letter to the child's parents/guardians to inform them that their child's attendance has exceeded 10% of the school days in session. Students may end up on an attendance plan or could possibly be referred to the County Attorney per Iowa Code 299.5A.

Reporting Absence

It is the responsibility of the parent/guardian to notify the office if a student is absent for any period of time during the school day. Contact the office at 319-726-3421 before 10:00 and give the reason for the absence. You may call and leave a message 24 hours a day/7 days a week. Leave your name, student name, grade, and specific reason for the absence. A student that is absent due to illness, should be free from fever, vomiting, and diarrhea for 24 hours before returning to school. A student that is planning to be absent (ex. vacation or hospitalization) and knows in advance will need to have a parent/guardian call in prior to the absence. The student will need to obtain the approval absence form from the office and have all necessary teachers sign it. All work provided to a student in advance of the absence or given to them to work on while gone is due the day of return.

Leaving the Building During the School Day

Students must come through the office in order to leave. If a student must leave school during the school day a note or phone call prior to leaving is *required*. The parent/guardian must call the JH/HS office, or the student must bring written permission from a parent/guardian to the JH/HS office. The student must:

- Come to the office at the beginning of the day and pick up an early dismissal slip.
- Show the slip to the teacher before leaving class.
- Give the slip to the office staff before leaving the building.
- A student who becomes ill during the school day must see the nurse or designee for assessment and must not call or message a parent. **If a student is ill, the office staff will contact the parent/guardian.**

If a student is sent home from school due to illness, they should be free from fever, vomiting and diarrhea for 24 hours before returning to school.

Turn in Policy/Procedures

It is the student's responsibility to communicate with their classroom teachers and to complete make-up work for their classes. All work that was assigned prior to the student's absence will be due the day they come back to school. This includes, but is not limited to, previously assigned work such as research papers, presentations, projects, etc.

All school work missed due to an absence (i.e. when the student was absent from class), OR simply not completing the assigned work, must be turned in to the teacher by the following Friday in order to receive credit. Credit will be determined by the classroom teacher. Please see the examples below:

Example 1: Work assigned prior to absence. Student Jerry was assigned a project in social studies that is due Tuesday, September 27. Jerry is absent on the day the project is due. Jerry needs to email his teacher and let him know he is absent. Jerry must turn in the project the day he returns in order to receive full credit. Otherwise, he has until Friday, September 30 to turn it in for partial credit. The following Friday the assignment will be marked as a zero.

Example 2: Missing Work Due to Absence. Student Ann misses school on Wednesday, October 12. She has until Friday, October 14 to turn in the work she missed for full credit. If she does not, she has until the next Friday, October 21 to turn it in for partial credit. After Friday, October 21 Ann receives a zero in the grade book and can no longer make up the work.

Example 3: Late Work. Student Rob has an English assignment due Thursday, November 3. He does not turn it in. He can turn it in Friday, November 4 for partial credit. If he has still not turned it in by the following Friday, November 11, the assignment becomes a zero and he can no longer turn it in for credit.

- Instances when students are absent for multiple days will be evaluated by the classroom teacher and administration to determine when school work will be due.
- Schoolwork missed due to suspension or expulsion must be turned in on the day of returning to school, or as designated by the administration.

- The classroom teacher may allow additional make-up time at their discretion due to extenuating circumstances.
- Parents/Guardians may contact the teacher via email or phone to arrange for make-up assignments.

TARDIES

- Students who arrive late to school must sign in at the JH/HS office prior to being admitted to class.
- Students who arrive late to class must have a signed planner/pass from a staff member to be considered excused.
- Students arriving to class more than ten minutes late are considered unexcused for that period.
- If a student has 3 or more tardies in a week, students will receive a tardy detention to be served during lunch and homeroom.
- **Excessive or repeated tardies may lead to additional disciplinary action as deemed necessary by administration.**

COLLEGE VISITS

Seniors are allowed up to two college visits per year with counselor approval. A College Visit Field Trip form can be obtained in the counselor's office and must be filled out, approved by all teachers and turned into the **College and Career Counselor's office** one week prior to the college visit.

Juniors are allowed up to one college visit per year with counselor approval. A College Visit Field Trip form can be obtained in the counselor's office and must be filled out, approved by all teachers and turned into the **College and Career Counselor's office** one week prior to the college visit.

SCHOOL INITIATED/SPONSORED ACTIVITIES

Field Trips - If the field trip distance is over 25 miles, a field trip form must be signed by a parent/guardian and turned in to the office/teacher prior to going on the field trip. If the field trip distance is under 25 miles, it is considered a local field trip and will not require parent/guardian approval.

Athletic/Activity - Team members not participating in the event that an L-M team or individual has qualified for will be allowed to attend a state event for 1 day as an Excused Field Trip Absence if proper parental/guardian notification procedure is followed. (See reporting an absence section).

STUDENT APPEAL (DUE PROCESS) FOR LOSS OF CREDIT

- 1) Administration will have copies of the appeal form available for students. The principal or the counselor will fill in the number of absences and the appeal due date at the time the form is given to the student.
- 2) Students have five school days from the time they receive the notice of exceeding the policy limit to submit a written request for appeal to the attendance committee. The attendance committee will include teachers and one administrator.
- 3) Students will have the opportunity to explain and validate their attendance record on the remainder of the form, which then must be signed by the student and a parent/guardian.
- 4) The student will return the form to the principal prior to, or on the due date for committee consideration.
- 5) When the appeal form has been appropriately completed, the attendance committee will review it and make a decision within three days of receiving the completed appeal form from the student.
- 6) If the appeal is accepted, the student's grade will be returned to the earned grade.

CHARACTER COUNTS!

LOUISA-MUSCATINE Junior/Senior High School has set the following expectations for student behavior. Each student is expected to be responsible for his/her own actions and should recognize the relationship between achieving academic success and developing positive social and interpersonal skills. Louisa-Muscatine School District will teach and focus on the Character Counts Pillars of Success as a guide and expectation for appropriate behavior. These will help to create a positive school atmosphere.

We also believe that all adults who work or visit our school have the responsibility to model the same expectations that we are developing in our students. They look to us for examples of how to be positive citizens through our actions, behavior, language, and dress. We, as adults, must teach by example.

Character Counts Pillars for Success:

Trustworthiness

- Be honest.
- Keep your promises.
- Be reliable — do what you say you'll do.
- Be loyal — stand by your family, friends, and country.

Respect

- Treat others with respect and follow the Golden Rule.
- Be tolerant and accepting of differences.
- Don't threaten, hit or hurt anyone.
- Deal peacefully with anger, insults, and disagreements.

Responsibility

- Do what you are supposed to do.
- Persevere.
- Do your best.
- Use self-control.

Fairness

- Play by the rules.
- Be open-minded; listen to others.
- Don't take advantage of others.
- Don't blame others carelessly.

Caring

- Be kind and compassionate.
- Express gratitude.
- Forgive others and show mercy.

Citizenship

- Do your share to make your home, school, community, and world better.
- Cooperate.
- Stay informed; vote.
- Be a good neighbor. Help people in need.

DISCIPLINE GUIDELINES

A consistent and fair disciplinary system is an integral part of a successful school. Disciplinary measures will attempt to serve as a deterrent and/or modify inappropriate behavior and encourage acceptable behavior. Discipline infractions vary in their degree of seriousness. Therefore, a corresponding degree of latitude will be given to school personnel in disciplining those involved. **STUDENTS ARE RESPONSIBLE AND ACCOUNTABLE FOR THEIR BEHAVIOR.** The following disciplinary measures will be used:

A. Before/After School Detention:

Students may be issued an AM/PM detention from any staff member for any unacceptable behavior.

1. Students will be given 3 school days to complete assigned detentions.
2. Students must bring study materials.
3. Students who fail to serve an assigned detention will be reported to the office AND teachers will double the detention time. A Saturday detention will be assigned upon a 2nd failure to serve a detention.
4. Teachers who assign detention will give the location the detention is to be served.
5. Students who miss detention AND go to an extracurricular activity practice will be ineligible for the next regular contest on the schedule.
6. Should there be a reasonable justification for changing the time/date of the detention, prior approval must be received from the teacher and principal.

When a student accumulates 3 AM/PM detentions in a semester, a Saturday detention will be assigned. An additional Saturday detention will be assigned for every 2 additional detentions after 3 in a semester.

****Saturday detentions** – One Saturday per month will be designated for assigned office consequences (ex. Tardy detentions or other policy violations). Students, whose behavior is inappropriate and goes beyond the scope of a regular detention, will serve a 3-hour detention on the next scheduled Saturday.

The Saturday detention program will operate from 8:00 AM to 11:00 AM. Students are expected to bring all necessary materials and show up on time. Failure to do so will result in the loss of credit.

If the student does not report for Saturday detention or leaves early, they will be suspended from school for a minimum of one day. A parent or guardian is required to meet with the principal before the student will be readmitted to school. The student will be required to serve the next scheduled Saturday detention.

Saturday Detention, In-School Suspension and Out-Of-School Suspension are considered major consequences. Multiple major consequences within a semester will result in a Discipline Sequence Plan and a student, parent and principal meeting. The Discipline Sequence Plan will include a Superintendent and School Board hearing.

B. In-School Suspension: Goal

The goal of the in-school suspension (ISS) program is to provide a disciplinary program that retains the student in the school setting and is an alternative to out-of-school suspension. Students assigned to ISS must cooperate with the coordinator and complete assigned work. If problems occur during ISS, the student may be suspended from school and be required to make up the ISS days. ISS is an attempt to keep students in school and on an academic route. Repeatedly being assigned to ISS could result in OSS (Out-of-School Suspension).

Overview

- In-school suspension may be assigned only by the principal or his/her representative.
- Days assigned will be at the discretion of the principal or his/her representative.
- In ISS the student reports to the designated ISS classroom with books, writing materials, and paper, and remains there for the entire day closely supervised by the ISS monitor. Students are required to complete all classroom work as assigned by teachers or the building principal. Bathroom breaks are allowed once in the morning and once in the afternoon at the discretion of the ISS monitor. Under the supervision of the ISS monitor, students will take lunch at a time designated by the principal. Lunch will be collected from the lunchroom (by individual students and under the supervision of the ISS monitor) and eaten in the ISS classroom. ISS students are not to interact with the general student population.

- In order to receive credit for the entire day the student must remain in the room for the day and comply with the ISS guidelines. The student must bring all textbooks and necessary study materials when reporting to ISS. If absent on the assigned ISS day, the student will report to the office on the day he or she returns to school prepared to enter ISS. If ISS is not in session that day the student will be given a new date to report. Students are to report to ISS no later than 8:15 A.M. If a student is significantly late to ISS, he/she remains in ISS for the assigned day and make up the time missed as designated by the building principal. An unexcused tardy may result in additional discipline measures.
- Students involved in extracurricular activities attend the activity as required but may not compete or perform on the day of their assigned ISS.
- Violation of the ISS rules (or behavior rules generally expected while in school) will result in additional days of ISS being assigned. OSS may also be assigned.
- Students assigned to ISS will be notified of the rules and regulations of ISS. The ISS guidelines and rules will be posted in the ISS classroom.
- ISS will be operative as scheduled by the building principal and will begin at 8:10 A.M. and conclude at 3:18 P.M. or as designated by the building principal.

C. Class Suspension: If a student demonstrates unacceptable behavior in a class, he/she may be removed from the class for a period of days. The principal will determine the number of days of a class suspension. Repeated class suspensions could lead to expulsion.

D. Out-Of-School Suspension: The principal has the authority to suspend a student out of school for up to ten days for disciplinary reasons. These actions could also result in expulsion. In any suspension matter, there will be an attempt to notify the parents of the suspended child. Also, all suspensions will follow the legal requirements of due process. Students will not be allowed on school grounds or at school activities while serving an out of school suspension. Suspensions will be considered excused absences. Students earn credit for assignments missed during this time according to the excused absence policy on page 16. Repeatedly being assigned to OSS could result in being recommended for Expulsion.

E. Expulsion: A student may be recommended for expulsion by the principal if, in his/her estimation, the student's behavior or pattern of behaviors warrants it. The expulsion hearing would be conducted before the Board of Education who has the authority to bar a student from school attendance for up to one year. If a student is being recommended for expulsion, his/her parents will be notified, and the expulsion proceeding will follow the legal requirements of due process.

CELL PHONES AND ELECTRONIC DEVICES IN THE HIGH SCHOOL

Board Approved on 12/16/24 & Implementation Date on 1/2/25

We value instructional time at Louisa-Muscatine. Numerous studies have shown that cell phone availability and usage deter student learning and school culture ([Banning Smartphones at School](#)) and may contribute to student anxiety (<https://jonathanhaidt.com/anxious-generation/>). Countries, states, and schools are implementing no-cell phone policies. Louisa-Muscatine's top priority is the education of the students. With that goal in mind, during the school hours of 8:10 a.m. and 3:18 p.m. (2:18 on Fridays), all phones and smart devices must be put in the student-issued locker with ringers turned off. A student may have a phone with them due to an individual school plan approved by the administration. Still, it is only to be used within the plan's parameters. It would be preferred that students leave their phones/smart devices in their car or at home. If that is not possible, the phones must remain in the student's locker. Students will have access to their phones during the passing times at their lockers if it is not disruptive or causes tardiness.

There is to be NO cell phone usage in bathrooms or locker rooms at any time.

Anyone needing to contact a Louisa-Muscatine student is asked to call the main office, and messages will be delivered as time permits.

The only exception to this rule is if a class requires phone use, the office must be notified, and the teacher must have approval. If needed for something particular in that classroom, they can be used and placed in a container for the remainder of the class and then returned to the student's locker before their next class.

If a student's phone or smart device should happen to be seen, heard, or used outside of personal locker proximity during the school day without permission, the student will be directed to the office, and the cell phone will be confiscated without student complaint or refusal. A student's refusal to relinquish their cell phone/smart device will be considered insubordination.

Headphones and air pods can only be used at the teacher's discretion in the classroom.

The consequences for failing to comply with the cell phone policy will be as follows:

1st Offense- Warning, and the cell phone remains in the office for the day and will be returned to the student at the end of the day.

2nd Offense- The student will receive a lunch detention to be served in the office. The confiscated cell phone will be turned in to the office each day and returned to the student at the end of each day for three total school days. The parent/guardian will be contacted by email that the student had their second offense.

UNAUTHORIZED USE OF DISTRICT NETWORK

ASSERTIVE DISCIPLINE CLASSROOM PROTOCOL

*Handbook protocol is still applicable when appropriate

Assertive Discipline is developing a clear classroom discipline plan that consists of classroom expectations (rules) which students must follow, positive recognition that students will receive for following expectations, and consequences that result when students choose not to follow the rules. These consequences should escalate when a student breaks the rules more than once in a period. But usually, the slate starts anew the next day. At L-M students receive verbal praise, Falcon Cards, and privileges when following expectations. Students receive consequences when not following classroom expectations through a consistent school wide system, which involves the staff, parents, and administration.

L-M ASSERTIVE DISCIPLINE SYSTEM FOR NEGATIVE BEHAVIOR

Warning	<p>Students are warned when the teacher writes their name on the board or warning given verbally.</p> <p><i>IF Behavior Continues:</i></p>
One Checkmark	<p>A check is placed behind the student's name indicating a noon hour detention to be served the following school day.</p> <p><i>IF Behavior Continues:</i></p>
Two Checkmarks	<p>A second check is placed behind the student's name indicating that the student owes a 30-minute after school detention to be served by the following day instead of a noon hour detention. The classroom teacher will contact the parents of the student.</p> <p><i>IF Behavior Continues:</i></p>
Three Checkmarks	<p>A third check is placed behind the student's name indicating that the student is to report to the office and the Principal/SAM will determine the consequence instead of the 30-minute detention. The Principal/SAM will contact the parents of the student. The teacher notifies the office immediately.</p>

If a student owes more than one noon hour detention on a given day, the location of the detention will change accordingly:

1. Noon Hour Detention Room
2. In the Building/Principal's Office
3. In the Central/Superintendent's Office

If a student earns more than one detention in a given day, the length of the detention will change accordingly:

1. 30 Minutes or more detention
2. 45 Minutes or more detention
3. 60 Minute Detention

It is possible to owe a noon hour and an after-school detention on the same day.

Warning (Name on Board) or given verbally

Office personnel will be notified of students who received a warning in their class by 8:15 the next school day.

Noon Hour Detentions (One Check)

Office personnel will be notified of students that owe a noon hour detention by 8:15 am the next school day. Parents/Guardians will be notified about the detention by the classroom teacher assigning it.

The Principal, SAM and Detention Supervisor are provided a list of students owing noon detentions.

Students are called to the office three minutes prior to the lunch/HR hour and escorted to the detention room (Study Hall Room). The students should bring their personal items (including their work and AR book) with them.

Students are escorted to the lunch line by the detention room supervisor and return to the detention room to eat. Students are escorted to scrape at the same time towards the end of the lunch/HR period.

When a student accumulates 5 lunch detentions in a semester, a Saturday detention will be assigned. An additional Saturday detention will be assigned for every 3 additional detentions after 5 in a semester.

30+ Minute AM/PM Detentions (Two Checks)

Office personnel will be notified of students receiving a detention by 8:15 am the next school day. Parents/Guardians will be notified about the detention by the classroom teacher assigning it.

Students are called to the office three minutes prior to the end of the school day and escorted to the detention room (Library). The students should bring their personal items (including their work and AR book) with them.

Detentions start at 3:20 and students are dismissed at 3:50 for a 30+ minute detention, 4:05 for a 45+ minute detention, and 4:20 for a 60+ minute detention.

Students can serve their detention prior to 3:20 the next day, if it is arranged by the student with the Principal/SAM, but not after.

When a student accumulates 3 AM/PM detentions in a semester, a Saturday detention will be assigned. An additional Saturday detention will be assigned for every 2 additional detentions after 3 in a semester.

Office Referral (Three Checks)

Teacher will inform the office that a student is being removed from the class and sent to the office. The Principal/SAM will determine consequence(s) for the behavior. A discipline sequence plan may be established for students who have shown continual disregard for school/classroom rules, policies and/or protocols.

Skipped Detentions

Students who fail to serve an assigned detention will be reported to the office AND teachers will double the detention time. A Saturday detention will be assigned upon a 2nd failure to serve a detention.

Staff Expectations/Recommendations

- Classroom expectations/Rules posted
- Erase names each class after taking note of names
- Substitute Assertive Discipline (One warning and the student is sent to the office)
- Meet with students during detentions if possible

HIGH SCHOOL STUDENT ELIGIBILITY FOR EXTRACURRICULAR ACTIVITIES

Louisa-Muscatine Community School District offers a variety of voluntary activities designed to enhance the classroom education of its students. Students who participate in extracurricular activities serve as ambassadors of the school throughout the calendar year, whether away from or at school. Students who wish to exercise the privilege of participating in extracurricular activities must conduct themselves in accordance with board policy and must refrain from activities that are illegal, immoral, unhealthy, or highly inappropriate. Participation in these activities is a privilege, conditioned upon meeting the eligibility criteria established by the board, administration, and individual activity coaches and sponsors. The (principal/activities director) shall keep records of violations of the Good Conduct Rule.

The following activities are covered by the board's policy and these rules: Athletics, instrumental and vocal music performances, drama productions, speech contests, FFA, National Honor Society, all co-curricular clubs (e.g., Art

Club, French Club), all honorary and elected offices (e.g., Homecoming King/Queen/court, Prom King/Queen/court, class officer, student government officer or representative), state contests and performances for cheerleading and drill team, mock trial, Academic Decathlon, or any other activity where the student represents the school (district) outside the classroom.

Students WILL be permitted to participate in instrumental and vocal music performances that will directly impact their grades.

ACADEMIC ELIGIBILITY:

At the beginning of each school week, academic eligibility for participation in extracurricular activities will be determined. A weekly eligibility list will originate from the principal's office. Students who are determined to be ineligible will be ineligible for Tuesday through the following Monday (including any events on the following Monday night). It shall be the responsibility of the coaches/sponsors to see that ineligible students are not allowed to compete in sports or perform in other school activities. Academic eligibility is non-negotiable. Teachers can't change grades in order for students to become eligible before the next eligibility list is generated.

- If a student is receiving a failing grade in two or more classes, they will be notified that they are in a probationary period where they maintain eligibility

- If a student is receiving a failing grade in two or more classes for two or more consecutive weeks, they will be ineligible until they are failing no more than one class on a weekly grade check.

The state of Iowa Scholarship Rule 281-36.15(2) still applies to athletics and music, which requires that students pass all of their courses at the end of each semester to retain eligibility. Failure to pass all courses will result in a 30-day ineligibility period during the activity the student is in and/or in next. Additional information regarding the Iowa Scholarship Rule can be found at the Iowa Department of Education, Iowa High School Athletic Association, and Iowa Girls High School Athletic Union websites.

Special education students or students covered by a Section 504 plan shall not be denied eligibility on the basis of scholarship if the student is making adequate progress, as determined by the (staffing team) towards the goals and objectives on the student's IEP or accommodation plan.

ATHLETIC/ACTIVITY REQUIREMENTS:

Forms

Before any student is permitted to become a member of any L-M Jr./Sr. High School athletic squad or activity group, the following items must be on file with the activities director:

1. Physician's Certificate required for Athletics (Must be renewed every year-physicals are good for one calendar year.). The cost of the student physical examination is paid for by the athlete. Must be signed by a physician and parent/guardian and returned to the high school office.
2. Insurance Waiver signed by parent or school insurance required for Athletics.
3. Concussion Form required for Athletics (Must be renewed every year and signed by athlete and parent/guardian.)

Attendance

Students absent from any part of the school day for any reason, including illness, will not be allowed to participate in after school activities/athletics that night without administrative approval prior to the activity. The administration will evaluate any unusual circumstances. Students who go home sick will not be allowed to participate that night. Pre-set appointments (such as dentist), funerals, college visits, field trips, etc. are acceptable reasons for absences and the students may still participate in that night's activity.

Trips

All athletes/activity participants must ride the bus or school transportation to all school sponsored activities. Any exceptions must be cleared with the Activities Director/ Administrator and Activity Sponsor/Coach at least one day before the activity.

Students may ride home with their parents if he/she has the coach's permission, and the parent(s) has personally approved it with the coach at the event. Notes from parents stating that their child can ride home with another student's parent(s) must be cleared by the Activities Director/ Administrator at least one day before the activity.

GOOD CONDUCT POLICY

To retain eligibility for participation in L-M Jr High and High School extracurricular activities, students must conduct themselves as good citizens both in and out of school at all times. Students who represent the school in an activity are expected to serve as good role models to other students and to the members of the community.

Any student who, after a hearing at which the student shall be confronted with the allegation, the basis of the allegation, and given an opportunity to tell his/her side, is found to have violated the school's Good Conduct Rule, will be deemed ineligible for a period of time, as described below. Only reports from staff members or adult community members will be investigated. Anonymous reports will not be investigated.

A student may lose eligibility under the Good Conduct Rule for any of the following behaviors:

- **Possession, use, or purchase of tobacco products, regardless of the student's age.**
- **Possession, use, or purchase of alcoholic beverages, including beer, wine, and hard liquor ("use" includes having the odor of alcohol on one's breath or being "under the influence of").**
- **Possession, use, or purchase of illegal drugs or the unauthorized possession, use or purchase of otherwise lawful drugs ("use" includes being "under the influence of").**
- **Being in attendance at a function or party where alcohol or other illegal drugs are being consumed by minors.**
- **Initiating, or being a willing participant, in a fight**

- **Being caught cheating or plagiarizing in any academic class including using AI in an assignment (Plagiarism/cheating policies will be followed in each instance/class as outlined in the handbook. Each instance will follow the penalties outlined below in terms of sitting out, community service, etc. However, a "strike" will not be issued until a student has accrued three cheating/plagiarism violations in a high school career. Each subsequent incident after the first three will result in a strike).**
- **Inappropriate or offensive conduct such as hazing, bullying or harassment of others. Such harassment and bullying do not have to rise to the level of violating the school's anti-bullying/harassment policy, but rather may include inappropriate and/or disparaging comments to or about others, whether made verbally, in writing, or by electronic means (e.g., text messages, electronic mail, or posting on social networking sites.) Examples of such harassment include, but are not limited to, threats; inappropriate comments about the traits of an individual or group; creating parodies to make fun of others; posting or otherwise sharing potentially embarrassing photographs, drawings, video, or depictions of others without permission. NOTE: This could include group conduct. This rule is not intended to prevent a student from expressing his/her religious or political beliefs.**
- **Gross insubordination (talking back or refusing to cooperate with authorities) and repeated classroom misconduct. A student will be considered for a strike if they exceed 3 office referrals per quarter (or exceed 6 per school year).**
- **Repeated violations or serious violation of any written rule or regulation approved by the Board of Directors of Louisa-Muscatine CSD at school or any school sponsored activity.**

If a student transfers in from another Iowa school or school district and the student had not yet completed a period of ineligibility for a violation of a Good Conduct Rule in the previous school or school district, the student shall be ineligible according to the previous district's guidelines. Good conduct Policy violations will not carry over from Junior High to High School and will start over in 9th grade.

Penalties

Any student, who, after a hearing before the administration is found by substantial evidence to have violated the Good Conduct Rule at any time during the school year or summer, is subject to a loss of eligibility as outlined below. Additionally, once a good conduct violation has been founded, a meeting will be held among the student's coaches/advisors, student, parents, administrator, and activities director to establish reinstatement dates, and consequences. This meeting will occur no more than three working days after the finding.

Please note: Coaches and activity sponsors (student council or NHS for example) may have additional consequences or procedures in place that work in conjunction with the Good Conduct Policy.

Self-Reporting

If a student comes forward to a coach, administrator, or activity sponsor to admit (self-report) a violation of the Good Conduct Policy **prior** to the **initial** finding and/or confrontation by the high school principal, coach, or AD, the student's penalty *may* be reduced. **Self-reporting must occur within 48 hours of the incident in violation of the good conduct policy.**

Reduction in Penalty

- Penalty reductions will only be allowed when a student **self-reports** within 48 hours violating the Good Conduct Rule **OR** on the 2nd Offense involving illegal controlled substances or alcohol in which an evaluation and/or treatment is sought out by the student and parents/guardians (See 2nd Offense above)
 - **1st Offense reduction** will require the completion of 20 required school-approved community service hours prior to participating in any activities.

Appeal Process

If a student wishes to appeal the decision of the principal and activity director, they may request a hearing with the superintendent. A student's punishment, however, begins immediately upon the findings of the good conduct violation and does not wait for the verdict of the appeal committee.

*IF the period of time between the date of the incident in violation of the good conduct policy and its discovery is twelve (12) calendar months or more, the student shall not serve an ineligibility period for the violation.

COMPLAINTS

Matters concerning an individual student, teacher, or other employee should be addressed to the teacher or employee. Unsettled matters should be directed to the building principal or the employee's immediate supervisor.

NON-DISCRIMINATION POLICY STATEMENT

It is the policy of the Louisa-Muscatine Community School District not to illegally discriminate on the basis of race, color, national origin, gender, disability, religion, creed, age (Employment only), marital status, sexual orientation, gender identity and socioeconomic status (students/program only) in its educational programs and its employment practices. There is a grievance procedure for processing complaints of discrimination. If you have questions or a grievance related to this policy, please contact the district's Equity Coordinator: Amy Lantigua, Curriculum Director, 14478 170th St., Letts, IA 52754. Phone: 319-726-3541, x354. Email: alantigua@louisa-muscatine.k12.ia.us

GRIEVANCE PROCEDURE

Students, parents of students, employees, and applicants for employment in the district shall have the right to file a formal complaint alleging discrimination under federal or state regulations requiring non-discrimination in programs and employment.

Level One-Principal, Immediate Supervisor or Personnel Contact Person

(Informal and Optional-may be bypassed by the grievant) Employees with a complaint of discrimination based upon their gender, race, national origin, religion, age, marital status, or disability are encouraged to first discuss it with their principal or immediate supervisor, with the objective of resolving the matter informally. A student, parent of a student, or an applicant for employment with a complaint of discrimination based upon their gender, race, national origin, religion, age, marital status, or disability are encouraged to discuss it with the instructor, counselor, supervisor, building administrator, program administrator, or personnel contact person directly involved.

Level Two-The Equity Coordinator

If the grievance is not resolved at level one and the grievant wishes to pursue the grievance, they may formalize it by filing a complaint in writing on a Grievance Filing Form, which may be obtained from the Educational Equity Coordinator. The complaint shall state the nature of the grievance and the remedy requested. The filing of the formal, written complaint at level two must be within fifteen (15) working days from the date of the event-giving rise to the grievance, or from the date the grievant could reasonably become aware of such occurrence. The grievant may request that a meeting concerning the complaint be held with the Equity Coordinator. A minor may be accompanied at that meeting by a parent or guardian. The Equity Coordinator shall investigate the complaint and attempt to resolve it. A written report from the Equity Coordinator regarding action taken will be sent to the involved parties within fifteen (15) days after receipt of the complaint.

Level Three-The Grievance Committee

If the complaint is not resolved at level two, the grievant may appeal it to level three by presenting a written appeal to the Superintendent within ten (10) working days after the grievant receives the report from the Equity Coordinator. The grievant may request a meeting with the Superintendent. The Superintendent may request a meeting with the grievant to discuss the appeal. The Superintendent will render a decision within ten (10) working days after receipt of the written appeal.

This procedure in no way denies the right of the grievant to file formal complaints with the Iowa Civil Rights Commission, the Federal Office of Civil Rights, the Equal Employment Opportunity Commission, or the Iowa Department of Education for mediation or rectification of civil rights grievances, or to seek private counsel for complaints alleging discrimination.

HOMELESS POLICY

Definition of Homeless

The federal government's legal definition of homelessness based on the McKinney-Vento Homeless Education Assistance Act is anyone who...

- Is lacking a regular, fixed and adequate nighttime residence (substandard housing)
- Is sharing housing due to economic struggles (double-up)
- Is living in a shelter, hotel or motel

The McKinney-Vento Homeless Education Assistance Act requires districts to ensure homeless students have access to education and other services they need to meet the same high academic achievement standards as all students. All local school districts must designate a Homeless Liaison. If you need further assistance/information, please contact Amy Underbakke, At-Risk Coordinator at 319-726-3421 or aunderbakke@lmcsd.org, Louisa-Muscatine Community School, 14354 170th St., Letts, IA, 52754.

ABUSE OF STUDENTS BY SCHOOL EMPLOYEES

Abuse may fall into either of the following categories:

1. "**Physical abuse**" means non-accidental physical injury to the student as a result of actions of a school employee. Injury occurs when evidence of it is still apparent at least 24 hours after the incident. Physical abuse may occur as a result of intentional infliction of injury or excessive, unnecessary, or unreasonable use of force.
2. "**Sexual abuse**" means any sexual offense as defined by Iowa Code Chapter 709 or Iowa Code Section 728.12(1). The term also encompasses acts of the school employee that encourage the student to engage in prostitution as defined by Iowa law, as well as inappropriate, intentional sexual behavior by the school employee toward a student.

The following people have been appointed by the Louisa-Muscatine Board of Education to be investigators to investigate allegations or reports of abuse of students by school employees:

Investigator	School Nurse at 319-726-3634 (Elementary) or 319-726-3421 (JH/HS)
Alternate Investigator	Superintendent at 319-726-3541
Building Principals	Elementary Principal at 319-726-3634 or JH/HS Principal at 319-726-3421

Any person who has knowledge of an incident of abuse of a student committed by a school employee may file a report with the designated investigator or alternate.

LOUISA-MUSCATINE JUNIOR HIGH HANDBOOK

TARDY POLICY

Students will receive a tardy if:

1. s/he is not in his/her assigned seat in class when the bell rings.
2. s/he is not prepared for class (missing writing utensils, planners, missing free reading books, missing textbook, computer, etc.)
3. s/he needs a drink, uses the restroom, or go to locker their locker

There is no reason students should need to leave class once the class has started. All trips for drinks, restroom use, locker visits, etc. need to be done during passing time. If they must leave the classroom, they will be given a tardy.

ITEMS NOT ALLOWED IN CLASSROOMS

No backpacks, bags, or purses are allowed in the classrooms during classes. Students may bring their computer bags to class

ACADEMIC RECOVERY TIME

Each week, students who are failing classes will report to the Learning Center for Academic Recovery Time during their P.E. class period. Students will be given a copy of their grades and missing assignment reports. During this time students will get academic support to get caught up on missing assignments, organize assignments, and organize binders, and if a copy of a missing assignment is available the student will receive the extra copy so s/he can make it up.

HOMEROOM

Students will be required to participate fully in homeroom activities which include:

- Weekly grade check
- Weekly FLIGHT time sign up and/or academic support time
- Homework Support
- Online Learning Activities

Other homeroom activities may include, but are not limited to:

- Book studies
- Team building
- Learning activities as determined by teacher/homeroom/building principal

AAT (ACADEMIC ADVISORY TIME)

AAT is held once each day. Every student is assigned to an AAT. Some students will leave AAT on a regular basis to attend band or chorus rehearsals.

Student Expectations

- Use the time for learning
- Respect the time of each other person
- Remain silently working unless you have permission to speak/work in a group for a learning purpose
- Follow all policies in the Student Handbook/Planner

QUARTERLY REWARDS

Quarter Rewards happen at the end of each quarter as a reward and motivation for students to push for academic success. Along with the reward system, we have developed consequences for actions or loss of privileges when not following school policy or it is warranted as a teaching tool. Some consequences may be given for a period of time to all students in a grade level or they may be given to an individual for actions that require a consequence. Privileges can be taken away for not following school policies or classroom directions. The rewards happen at the end of the quarter and are for one to two periods of the day. Reward time is determined by the teachers and administration.

7th grade Quarter 1-4 Reward Policy:

Students must be passing all classes including exploratories, have no ISS/OSS, have no bus suspensions, no Saturday School, and have less than 4 detentions during that quarter.

8th grade Quarter 1-3 Reward Policy:

Students must be passing all classes including exploratories, have no ISS/OSS, have no bus suspensions, no Saturday School, and have less than 4 detentions during that quarter.

8th grade Quarter 4 Reward Policy:

Students must pass both 3rd and 4th quarter classes including exploratories, have no ISS/OSS in the 3rd and 4th quarter, No Saturday school in the 3rd or 4th quarter, have no bus suspensions, and have less than 7 detentions during the second semester.

GRADING/HOMEWORK

Each day, the homework will be posted on each class's whiteboard or on the projector and on the JH Google Classroom. It is the student's responsibility to write it down in their daily planner. **It is also the student's responsibility to get the missing work from each teacher when they are gone.**

Once a quarter is completed, late work for that quarter is no longer accepted. Students with multiple late/missing assignments resulting in an F or a low grade will be assigned to Academic Recovery Time on Fridays during PE and will also lose the end of Quarter Rewards.

Turn in Policy/Procedures

It is the student's responsibility to communicate with their classroom teachers and to complete make-up work for their classes. All work that was assigned prior to the student's absence will be due the day they come back to school. This includes but is not limited to, previously assigned work such as research papers, presentations, projects, etc.

All school work missed due to an absence (i.e. when the student was absent from class), OR simply not completing the assigned work, must be turned in to the teacher by the following Friday in order to receive credit. Credit will be determined by the classroom teacher. Please see the examples below:

Example 1: Work assigned prior to the absence. Student Jerry was assigned a project in social studies that is due Tuesday, September 27. Jerry is absent on the day the project is due. Jerry needs to email his teacher and let him know he is absent. Jerry must turn in the project the day he returns in order to receive full credit. Otherwise, he has until Friday, September 30 to turn it in for partial credit. The following Friday the assignment will be marked as a zero.

Example 2: Missing Work Due to Absence. Student Ann misses school on Wednesday, October 12. She has until Friday, October 14 to turn in the work she missed for full credit. If she does not, she has until the next Friday, October 21 to turn it in for partial credit. After Friday, October 21, Ann receives a zero in the grade book and can no longer make up the work.

Example 3: Late Work. Student Rob has an English assignment due Thursday, November 3. He does not turn it in. He can turn it in Friday, November 4 for partial credit. If he has still not turned it in by the following Friday, November 11, the assignment becomes a zero and he can no longer turn it in for credit.

- Instances, when students are absent for multiple days, will be evaluated by the classroom teacher and administration to determine when school work will be due.
- Schoolwork missed due to suspension or expulsion must be turned in on the day of returning to school, or as designated by the administration.
- The classroom teacher may allow additional make-up time at their discretion due to extenuating circumstances.
- Parents/Guardians may contact the teacher via email or phone to arrange for make-up assignments.

PLAGIARISM POLICY (Subject to Change)

Louisa-Muscatine Community School District is committed to academic integrity. The administration and faculty of this school expect that all students submit coursework that reflects their original efforts. Plagiarism jeopardizes academic integrity and violates the school code. Instances that constitute plagiarism include:

1. Turning in a paper retrieved from an internet source as one's own.
2. Using AI
3. Using another student's work in whole or part and submitting it as one's own.
4. Use information from an encyclopedia, book, textbook, website, database, etc. without citing the source.
5. Using any facts, statistics, graphics, drawings, pictures, sounds, or other pieces of information without citing the source.
6. Paraphrasing another person's unique ideas without citing the source.
7. Letting someone else write portions of a paper.
8. Inventing sources.
9. Using someone else's words or ideas unintentionally as a result of poor research methods.
10. Knowingly allowing someone else to use your work as their own.

To foster students' good character and academic integrity, Louisa-Muscatine Community School District uses the following plagiarism policy:

1st offense - the student will receive zero credit for the assignment, parents will be notified, and a Saturday detention will be served

2nd offense - any further action in any course may result in failure of that course; any further act in any course will result in progressive disciplinary action in concert with school policy which may include an Academic Integrity Plan

If the instructor, department chair, or administrator deems the plagiarism to be unintentional, a different penalty may be imposed. The student may be asked to rewrite the assignment in keeping with proper scholarly practice and resubmit it for evaluation. The instructor may reduce the student's grade for the assignment.

****Each offense falls under the LM Good Conduct Policy and will result in consequences laid out within that policy in relation to extracurricular participation and eligibility.**

TECHNOLOGY USE POLICY

Louisa-Muscatine JH students will be required to keep phones and other electronic devices in their lockers unless going to PE, Lunch, or Exploratory Class. At times, consequences are given to a student or grade level that bans phones and other electronics from being used throughout the entire day. Privileges for phone use may change throughout the year. If a student is using a cell phone or electronic device without permission in class, the cell phone or electronic device will be taken to the office.

Failure to abide by the conditions under which this privilege is granted will result in the following penalties:

First violation - Up to a 30-day suspension from computers or the Internet and notification of parents.

Second violation - Suspension from computers or the internet for the remainder of the school year and notification of parents.

Other consequences may apply under other discipline areas.

The school may refer violations to the appropriate federal, state, or local authorities.

GRADE RETENTION

Data that will be looked at in determining student retention:

- Attendance Data
- Semester Grades
- State Assessment Data
- Teacher recommendation

Junior High students failing four or more semesters of core courses (math, science, social studies, and language arts/reading) may not be permitted to advance to the next grade level. Students may take summer school and complete course work to earn a "P" pass grade for courses and may advance on to high school if the staff and administration see that the student has demonstrated content knowledge and academic success in summer school.

In order to have the opportunity to participate in summer school for any core course, students must earn a passing percentage of 50 or higher as a final grade of the semester and be teacher approved. If the student earns a failing grade that is less than 50% in multiple classes for their final semester grade and cannot take those classes for summer school, they may not be permitted to advance to the next grade level if they have more than 3 failing semesters in core courses.

CLASS CHANGES

Students wishing to make a class change must make the request within the first three days of the semester.

Requesting a change does not guarantee the change will happen. Any requested class changes after three days of a term must receive administrative approval. Students may drop band or chorus at the end of each quarter but must make the request to the counselor for change within the first three days of the quarter. Students will not be allowed to join or drop band or chorus at any other time.

JUNIOR HIGH STUDENT ELIGIBILITY FOR EXTRACURRICULAR ACTIVITIES

All junior high students participating in extracurricular activities must abide by the academic and conduct-based eligibility rules. *(See the high school code of conduct section for more information).*

Conduct Based Eligibility

Coaches may set their own guidelines beyond the school's minimum policy for players that violate the student code of conduct and/or school policies.

Academic Eligibility

Grades are checked weekly on Mondays. Students/athletes must be passing in order to participate.

- If a student has one or more "F's" the first week, they receive a warning.
- If the student has an "F" the second week, they become ineligible until the "F" becomes a passing grade. Students can become eligible during the same week and participate in a game/meet later that week.
- Coaches may sit a player for the entire week due to an "F" on the ineligibility report.
- The above criteria are the minimum guidelines that coaches must use. Coaches have the discretion of having a stricter policy than the minimum set by the student handbook.
- Having an IEP or 504 does not exclude or exempt students from following the academic eligibility requirements.
- **Any junior high student who receives a failing grade for a full semester course will sit out 20% of their current activity season or their next season. Semester 2 ineligibility will carry over to sitting out 20% of your first high school activity.**
